Indoor batting cages, Retail Store, team practice space and quality instruction since 2007!

## Mastering the Mechanics Baseball Players 8-12yrs

*geared toward any player level looking to developing & mastering mechanics & form*

Every Tuesday 6pm-7pm in Oct, Nov & Dec (join anytime)

New clinics start the beginning of each month. Additional clinics start in Jan.

Limited Space only \$25/week (must prepay each month)

- Designed specifically for all youth player levels
- Learning, developing and mastering the "proper" mechanics for pitching and catching
  - Preventing injuries and proper arm care for both pitchers AND catchers

***CURVE BALLS WILL NOT BE TAUGHT***

**Pitchers** will focus on learning and mastering mechanics; Pitches taught: two seam & four seam fastball and the changeup ; accuracy vs velocity; hitting locations & movement, arm care and strengthening.

**Catchers** will focus on learning the proper stance & setup, receiving, blocking, footwork, throwing to all bases, plays at the plate and recovering wild pitches. Please bring gear if you have it. You won't need it the first day.

**If you would like to purchase gear, we have complete sets for as little as \$124.99. We can fit the correct size on the first day of camp and will be arrive before the 2<sup>nd</sup> class. Try our Demo Bats too!**

Note: We have low player-instructor ratios and limit the number of players to ensure quality & professional instruction. These clinics fill up fast, so don't wait. Payment and registration form must be received prior to the start of each monthly clinic. Stop by, mail form or register over the phone. Parents are welcome to stay & watch or drop off.
