This program will give each player a complete training regiment, focusing on athleticism, attitude, being coachability, hitting, fielding and throwing. Primary focus on hitting and may alternate weeks for hitting, fielding & throwing. Registration and payment are due prior to the start of each clinic as class size is limited. We pride ourselves on a low instructor-player ratio to ensure the highest quality instruction. Bring a glove and bat (if you have one). We have a great selection of gloves and bats at great prices in our Retail Shop. **Parents & participants will see measureable results from start to finish.**

Note: Limited to 10-12 players each hour to ensure quality one-on-one professional instruction.
