INTERMEDIATE HITTING, BAT SPEED and FIELDING & THROWING

Intensive and progressive clinic! NOT FOR BEGINNERS. We may alternate weeks between advanced hitting and advanced fielding & throwing to concentrate on certain mechanics and areas needing more attention. Bring a glove and bat (if you have one). If not, we have a Retail Shop on-site with internet pricing. We can help fit for the correct size glove and/or bat – we do NOT go by a chart for gloves or bats as they are a guideline only.

Sign up for any month(s), then continue on if you choose. Those that continue on will be progressing and advancing each month utilizing more advanced drills.

NOTE: After the month, we may recommend another clinic (level up or below) depending on each players skillset or staying in the same clinic to ensure muscle memory and proper mechanics. A lot of kids will stay in the same clinic for months or entire winter.
