

**“ADVANCED”
WINTER CLINICS**
hitting & fielding
baseball & softball 10-12yrs

Sundays 4:30 \$35/week per month
Clinics start the Beginning of Each Month:
Nov, Dec, Jan, Feb, Mar, Apr

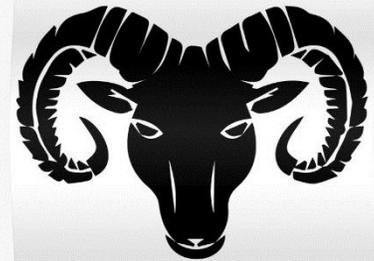

Geared for the **truly advanced hitters**, primarily ages 10-12yrs, who have had formal instruction in Sandlot or taken previous Intermediate or Advanced Camps in the past. This a fast-paced hitting clinic for players who are familiar with our terminology, philosophy and/or instructors.

NOTE: if you want to take a “mechanics refresher” camp in November to prepare for this, the Intermediate Clinic is the one for you.

Get your reps in every week! This clinic will focus on fielding: footwork, quick release, range and control. Hitting: refining mechanics, utilizing upper & lower body, maximizing hip rotation, hitting with power, 'placing' the ball, increase velo, hitting off soft-toss machines, pitching machines & live throwing to get players ready for the season.

- ❖ Players will be hitting from a tee, Backyard Batter, pitching machines, Max BP and other advanced tools.
- ❖ Video Analysis
- ❖ Mental Toughness training
